

Dear Parents,

Cuyahoga Falls Library requests parental permission for all young adults under 15 to view anime films that are recommended for ages 16 and up. Although anime is not rated by the MPAA, some of the films have content that would be similar to an R rated film. Other films would be similar in content to PG-13 rated films, others similar to PG, and others with G ratings.

The anime club is intended for older teens and the club will be choosing from a variety of films. Although we do not intend to select films filled with gratuitous sex and violence, there may be disagreements among honest adults concerning the appropriateness of the materials for younger teens. A description of each film being screened at any given meeting, and its suggested rating, will be provided upon request. Or you may call 330-928-2117 and ask for Steve.

By signing this permission slip, you would be agreeing that your teen can view any materials the club elects to show, including content recommended for ages 16 and up.

Thank you for taking the time to read and sign this permission slip.
